Instructions

1. Cut the burgundy paper to an 8 ½" square. Ink the edges and glue to the plaid background. Trim pieces of burgundy stitched ribbon and brown rick rack and glue dot across the background page. Tie a bow in the swirl ribbon and glue to the background. Wrap the long tail of the ribbon behind the page and secure.
2. Mat a photo with ivory cardstock and ink the edges. Mat again with brown cardstock and foam tape over the ribbons.
3. Back Dazzles™ with cardstock and burgundy papers. Color with colored pencils and trim flush to the edge of the stickers. Add the stickers to 1 ½"x 1 ¼" squares of brown cardstock and foam tape around the photo.
4. Cut a 1"x 6 ¼" strip of ivory cardstock and ink the edges. Mat with brown cardstock, add stickers for title and foam tape above the photo. Add another block with a pumpkin above the title strip.
5. Print journaling onto ivory cardstock and ink the edges. Mat with burgundy paper and glue below the photo. Add corner stickers to the top left and bottom right corners of the burgundy mat. Color the inside of the acorn with colored pencil.
6. Add large tree sticker to the bottom left corner. Back the apple basket, pumpkin and small acorn with cardstock. Color with colored pencil and glue around the bottom of the tree.
